

ACKNOWLEDGMENT TO DECLINE  
A STRUCTURED SETTLEMENT

**EPS Settlements Group of Canada**  
*The Structured Settlements Company™*

I have had the opportunity to meet with a structured settlement broker, and I have been provided with a number of structured settlement illustrations. I am aware that a structured settlement would provide income that is:

1. Guaranteed;
2. Tax-free;
3. Exempt from liability related to personal property; and
4. Free of fees.

Despite that, I have decided in favour of receiving a cash settlement; that is, I have decided against investing in a structured settlement, either in whole or in part.

I understand that if I choose to take a cash settlement, I cannot structure any portion of the settlement at a later date.

I hereby confirm that I do not wish to place any portion of my settlement into a structured settlement.
